**STUDIES AND INTENT LANGUAGE**

- Permits the Department of Public Health to retain fees collected from shippers of radioactive material waste containers transported across Iowa for the purpose of oversight and regulation of that activity. This would be a new source of revenue for FY 2002 and will not impact the General Fund. (Page 6, Line 16)
- Permits the Boards of Dental Examiners, Pharmacy Examiners, Medical Examiners, and Nursing Examiners of the Department of Public Health to retain \$263,000 in fees collected to be used for relocation expenses during FY 2002. This will not impact General Fund revenues. (Page 7, Line 4)
- Permits the Department of Public Health to retain up to \$100,000 from fees collected by the Board of Medical Examiners during FY 2002 to improve licensure functions. This will not impact General Fund revenues. (Page 7, Line 15)
- Permits the Board of Dental Examiners to retain and expend a maximum of \$99,000 from dental assistant registration revenues. This will reduce General Fund revenues by \$99,000. (Page 7, Line 34)
- Prohibits the Board of Medical Examiners, Pharmacy Examiners, Dental Examiners, and the State Board of Podiatry from taking any action against licensees who use an automatic dispensing system for prescription drugs in the absence of a pharmacist or practitioner provided that certain conditions are met. (Page 8, Line 20)
- Specifies the intent of the General Assembly that the Board of Medical Examiners, Pharmacy Examiners, Dental Examiners, and Podiatry Examiners meet to resolve the issues raised by the use of the automated dispensing systems for prescription drugs and requires the Boards to submit their findings to the Governor and the General Assembly by December 1, 2001. (Page 8, Line 34)
- Permits the Iowa Veterans Home to retain approximately \$1.1 million in drug reimbursements from the federal Department of Veterans Affairs to be used for pharmaceutical-related expenses at the Home. This will not impact General Fund revenues. (Page 13, Line 24)
- Requires the Director of the Department of Public Health, in consultation with an ad hoc committee, to conduct a study regarding comprehensive cancer control in the State and specifies what the study is to include. Requires the Director of Public Health to submit a report of the study's recommendations to the Governor and the General Assembly by January 2, 2002, as well as present the findings to a joint meeting of the Human Resources Committee during the 2002 session. SIGNIFICANT CHANGES TO THE  
CODE OF IOWA

- Specifies that revenues for the Drug Abuse Resistance Education Surcharge may be utilized for the Drug Abuse Resistance Education (D.A.R.E.) Program and other similar programs. (Page 14, Line 29)
- Increases the Drug Abuse Resistance Education Surcharge from five to ten dollars for operating while intoxicated offenses and offenses relating to the possession, manufacture, or delivery of controlled substances. (Page 15, Line 4)
- **FISCAL IMPACT:** The Surcharge is projected to increase the revenues for various drug abuse resistance education programs by an estimated \$75,000.
- Requires the Department of Public Health to adopt rules regarding model regulations to be used in instances in which a child is confirmed as lead poisoned. Requires the Department to make the model regulations available to local boards of health and to promote the adoption of the regulations at the local level. Specifies the adoption of the model regulations at the local level is not required. (Page 14, Line 27)
- Specifies that Section 5.10(i), relating to the automatic dispensing system for prescription drugs is effective upon enactment. (Page 17, Line 3)

1 1 Section 1. DEPARTMENT FOR THE BLIND. There is  
 1 2 appropriated from the general fund of the state to the  
 1 3 department for the blind for the fiscal year beginning July 1,  
 1 4 2001, and ending June 30, 2002, the following amount, or so  
 1 5 much thereof as is necessary, to be used for the purposes  
 1 6 designated:  
 1 7 For salaries, support, maintenance, miscellaneous purposes,  
 1 8 and for not more than the following full-time equivalent  
 1 9 positions:  
 1 10 ..... \$ 1,790,993  
 1 11 ..... FTEs 106.50

General Fund appropriation to the Department for the Blind.

DETAIL: This is an unspecified decrease of \$66,000 and no change in FTE positions compared to the estimated net FY 2001 appropriation.

1 12 Sec. 2. CIVIL RIGHTS COMMISSION. There is appropriated  
 1 13 from the general fund of the state to the Iowa state civil  
 1 14 rights commission for the fiscal year beginning July 1, 2001,  
 1 15 and ending June 30, 2002, the following amount, or so much  
 1 16 thereof as is necessary, to be used for the purposes  
 1 17 designated:  
 1 18 For salaries, support, maintenance, miscellaneous purposes,  
 1 19 and for not more than the following full-time equivalent  
 1 20 positions:  
 1 21 ..... \$ 1,082,743  
 1 22 ..... FTEs 38.05

General Fund appropriation to the Iowa State Civil Rights Commission.

DETAIL: This is an unspecified decrease of \$144,000 and no change in FTE position compared to estimated net FY 2001.

1 23 If the anticipated amount of federal funding from the  
 1 24 federal equal employment opportunity commission and the  
 1 25 federal department of housing and urban development exceeds  
 1 26 \$736,000 during the fiscal year beginning July 1, 2001, the  
 1 27 Iowa state civil rights commission may exceed the staffing  
 1 28 level authorized in this section to hire additional staff to  
 1 29 process or to support the processing of employment and housing  
 1 30 complaints during that fiscal year.

Allows the Commission to exceed the authorized staffing level if the additional full-time equivalent (FTE) positions are federally funded and the anticipated federal funding is greater than \$736,000.

1 31 Sec. 3. DEPARTMENT OF ELDER AFFAIRS. There is

1 32 appropriated from the general fund of the state to the  
 1 33 department of elder affairs for the fiscal year beginning July  
 1 34 1, 2001, and ending June 30, 2002, the following amount, or so  
 1 35 much thereof as is necessary, to be used for the purposes  
 2 1 designated:

2 2 1. For aging programs for the department of elder affairs  
 2 3 and area agencies on aging to provide citizens of Iowa who are  
 2 4 over 60 years of age with case management for the frail  
 2 5 elderly, Alzheimer's support, retired senior volunteer  
 2 6 program, resident advocate committee coordination, employment,  
 2 7 and other services which may include, but are not limited to,  
 2 8 mental health outreach, adult day care, respite care, chore  
 2 9 services, telephone reassurance, information and assistance,  
 2 10 and home repair services, including the winterizing of homes,  
 2 11 and for the construction of entrance ramps which make  
 2 12 residences accessible to the physically handicapped, and for  
 2 13 salaries, support, administration, maintenance, miscellaneous  
 2 14 purposes, and for not more than the following full-time  
 2 15 equivalent positions with the department of elder affairs:  
 2 16 ..... \$ 4,473,611  
 2 17 ..... FTEs 30.00

General Fund appropriation to the Department of Elder Affairs.

DETAIL: This is an unspecified decrease of \$597,600 and no change in FTE positions compared to the estimated net FY 2001 appropriation.

2 18 a. Funds appropriated in this subsection may be used to  
 2 19 supplement federal funds under federal regulations. To  
 2 20 receive funds appropriated in this subsection, a local area  
 2 21 agency on aging shall match the funds with moneys from other  
 2 22 sources according to rules adopted by the department. Funds  
 2 23 appropriated in this subsection may be used for elderly  
 2 24 services not specifically enumerated in this subsection only  
 2 25 if approved by an area agency on aging for provision of the  
 2 26 service within the area.

Allows the use of funds appropriated in this Subsection to supplement federal funds for elderly services not specifically enumerated if those services are approved by an area agency on aging. Requires local Area Agencies on Aging to match the funds for aging programs and services.

2 27 b. It is the intent of the general assembly that the Iowa

Specifies the intent of the General Assembly that the administrators of

2 28 chapters of the Alzheimer's association and the case  
 2 29 management program for the frail elderly shall collaborate and  
 2 30 cooperate fully to assist families in maintaining family  
 2 31 members with Alzheimer's disease in the community for the  
 2 32 longest period of time possible.

the Iowa chapters of the Alzheimer's Association and the Case Management Program for the Frail Elderly cooperate to assist families in maintaining family members with Alzheimer's disease in the community for as long as possible.

2 33 c. The department shall maintain policies and procedures  
 2 34 regarding Alzheimer's support and the retired senior volunteer  
 2 35 program.

Requires the Department of Elder Affairs to maintain policies and procedures regarding the Alzheimer's Support and Retired Senior Volunteer Programs.

3 1 2. The department may grant an exception for a limited  
 3 2 period of time, determined by the department to be reasonable,  
 3 3 to allow for compliance by persons regulated by the department  
 3 4 or applicants for assisted living certification with any part  
 3 5 of chapter 104A relative to buildings in existence on July 1,  
 3 6 1998. The determination of the period of time allowed for  
 3 7 compliance shall be commensurate with the anticipated  
 3 8 magnitude of expenditure, disruption of services, and the  
 3 9 degree of hazard presented. The department shall also be  
 3 10 authorized to modify the accessibility requirements otherwise  
 3 11 applicable to such applicants for buildings in existence on  
 3 12 July 1, 1998, if the department determines that compliance  
 3 13 with the requirements would be unreasonable, but only if it is  
 3 14 determined that noncompliance with the requirements would not  
 3 15 present an unreasonable degree of danger.

Permits an exception to State law relating to building accessibility for persons with disabilities to be granted by the Department of Elder Affairs for assisted living buildings in existence on July 1, 1998. Requires any exception granted to be for a limited time and commensurate with the anticipated expenditure, disruption of services, and hazard presented. The Department of Elder Affairs may modify the accessibility requirements otherwise applicable to applicants for assisted living certification, if compliance would be unreasonable and noncompliance will not present an unreasonable degree of danger.

DETAIL: This is existing language from SF 2429 (FY 2001 Health and Human Rights Appropriations Act).

3 16 Sec. 4. GOVERNOR'S OFFICE OF DRUG CONTROL POLICY. There  
 3 17 is appropriated from the general fund of the state to the  
 3 18 governor's office of drug control policy for the fiscal year  
 3 19 beginning July 1, 2001, and ending June 30, 2002, the  
 3 20 following amount, or so much thereof as is necessary, to be  
 3 21 used for the purpose designated:

3 22 For salaries, support, maintenance, miscellaneous purposes

General Fund appropriation to the Governor's Office of Drug Control

3 23 including statewide coordination of the drug abuse resistance  
 3 24 education (D.A.R.E.) program, and for not more than the  
 3 25 following full-time equivalent positions:  
 3 26 ..... \$ 487,759  
 3 27 ..... FTEs 13.00

Policy.

DETAIL: This is an unspecified decrease of \$111,133 and no change in FTE positions compared to the estimated net FY 2001 appropriation. The funding for the Drug Abuse Resistance Education (D.A.R.E.) Program is no longer a separate General Fund appropriation.

3 28 Sec. 5. DEPARTMENT OF PUBLIC HEALTH. There is  
 3 29 appropriated from the general fund of the state to the Iowa  
 3 30 department of public health for the fiscal year beginning July  
 3 31 1, 2001, and ending June 30, 2002, the following amounts, or  
 3 32 so much thereof as is necessary, to be used for the purposes  
 3 33 designated:

3 34 1. ADDICTIVE DISORDERS  
 3 35 For reducing the prevalence of use of tobacco, alcohol, and  
 4 1 other drugs, and treating individuals affected by addictive  
 4 2 behaviors, including gambling, and for not more than the  
 4 3 following full-time equivalent positions:  
 4 4 ..... \$ 1,492,239  
 4 5 ..... FTEs 13.65

General Fund appropriation to the Addictive Disorders Program.

DETAIL: This is an unspecified decrease of \$891,081 and no change in FTE positions compared to the estimated net FY 2001 appropriation. The decrease will be partially offset by an increased appropriation of \$400,000 compared to estimated FY 2001 from the Gambling Treatment Fund to the Department of Public Health in Section 8.1(b) of this Bill.

4 6 a. The department shall continue to coordinate with  
 4 7 substance abuse treatment and prevention providers regardless  
 4 8 of funding source to assure the delivery of substance abuse  
 4 9 treatment and prevention programs.

Requires the Department to coordinate with treatment and prevention providers regardless of funding source to assure delivery of programs.

4 10 b. The commission on substance abuse, in conjunction with  
 4 11 the department, shall continue to coordinate the delivery of  
 4 12 substance abuse services involving prevention, social and  
 4 13 medical detoxification, and other treatment by medical and

6 2 a. The department may expend funds received from licensing  
 6 3 fees in addition to amounts appropriated in this subsection,  
 6 4 if those additional expenditures are directly the result of a  
 6 5 scope of practice review committee or unanticipated litigation  
 6 6 costs arising from the discharge of an examining board's  
 6 7 regulatory duties. Before the department expends or encumbers  
 6 8 funds for a scope of practice review committee or an amount in  
 6 9 excess of the funds budgeted for an examining board, the  
 6 10 director of the department of management shall approve the  
 6 11 expenditure or encumbrance. The amounts necessary to fund any  
 6 12 unanticipated litigation or scope of practice review committee  
 6 13 expense in the fiscal year beginning July 1, 2001, shall not  
 6 14 exceed 5 percent of the average annual fees generated by the  
 6 15 boards for the previous two fiscal years.

Permits the Department to use up to 5.00% of the average annual fees generated for the previous two fiscal years for unanticipated litigation or scope of practice review committee expenses.

DETAIL: Based on the average of FY 1999 and FY 2000 fees, 5.00% would equal approximately \$78,116.

6 16 b. For the fiscal year beginning July 1, 2001, the  
 6 17 department shall retain fees collected from the certification  
 6 18 of lead inspectors and lead abaters pursuant to section  
 6 19 135.105A to support the certification program; and shall  
 6 20 retain fees collected from the licensing, registration,  
 6 21 authorization, accreditation, and inspection of x-ray machines  
 6 22 used for mammographically guided breast biopsy, screening, and  
 6 23 diagnostic mammography, pursuant to section 136C.10 to support  
 6 24 the administration of the chapter. The department may also  
 6 25 retain fees collected pursuant to section 136C.10 on all

Requires the Department to retain lead abatement and inspector certification fees to support the Certification Program and requires the Department to retain fees from regulation of mammography machines to support that function. Permits the Department to retain fees charged to shippers of radioactive material waste containers transported across Iowa for oversight and regulation of that activity. This is a new source of revenue for FY 2002. Also requires the Department to retain new or increased fees for any additional functions created as a result of legislation passed by the 2001 General Assembly.

6 34 by the general assembly in 2001 for activities not otherwise  
6 35 funded by amounts appropriated in this section. Fees retained  
7 1 by the department pursuant to this lettered paragraph are  
7 2 appropriated to the department for the purposes specified in  
7 3 this lettered paragraph.

7 4 c. The department may retain and expend not more than  
7 5 \$263,458 for lease and maintenance expenses for the relocation  
7 6 of licensure boards from the executive hills state office  
7 7 building from fees collected pursuant to section 147.80 by the  
7 8 board of dental examiners, the board of pharmacy examiners,  
7 9 the board of medical examiners, and the board of nursing  
7 10 examiners in the fiscal year beginning July 1, 2001, and  
7 11 ending June 30, 2002. Fees retained by the department  
7 12 pursuant to this lettered paragraph are appropriated to the  
7 13 department for the purposes described in this lettered  
7 14 paragraph.

Permits the Department to retain up to \$263,458 of fees collected by the Boards of Dental Examiners, Pharmacy Examiners, Medical Examiners, and Nursing Examiners for the purpose of lease and maintenance expenses.

DETAIL: This will not impact General Fund revenues.

7 15 d. The department may retain and expend not more than  
7 16 \$100,000 for reduction of the number of days necessary to  
7 17 process medical license requests and for reduction of the  
7 18 number of days needed for consideration of malpractice cases  
7 19 from fees collected pursuant to section 147.80 by the board of  
7 20 medical examiners in the fiscal year beginning July 1, 2001,  
7 21 and ending June 30, 2002. Fees retained by the department  
7 22 pursuant to this lettered paragraph are appropriated to the  
7 23 department for the purposes described in this lettered  
7 24 paragraph.

Permits the Department of Public Health to retain up to \$100,000 from fees collected by the Board of Medical Examiners during FY 2002 to improve licensure functions.

DETAIL: This will not impact General Fund revenues.

7 34 f. The board of dental examiners may retain and expend not  
7 35 more than \$98,740 from revenues generated pursuant to section  
8 1 147.80. Fees retained by the board pursuant to this lettered  
8 2 paragraph are appropriated to the department to be used for  
8 3 the purposes of regulating dental assistants.

Permits the Board of Dental Examiners to retain and expend a maximum of \$98,740 from dental assistant registration revenues.

DETAIL: This will reduce revenues to the General Fund by \$98,740.

8 4 g. The state board of medical examiners, the state board  
8 5 of pharmacy examiners, the state board of dental examiners,  
8 6 and the state board of nursing examiners shall prepare  
8 7 estimates of projected receipts to be generated by the  
8 8 licensing, certification, and examination fees of each board  
8 9 as well as a projection of the fairly apportioned  
8 10 administrative costs and rental expenses attributable to each  
8 11 board. Each board shall annually review and adjust its  
8 12 schedule of fees so that, as nearly as possible, projected  
8 13 receipts equal projected costs.

Requires the Boards of Dental Examiners, Pharmacy Examiners, Medical Examiners, and Nursing Examiners to adjust fees so projected receipts equal projected costs.

8 14 h. The state board of medical examiners, the state board  
8 15 of pharmacy examiners, the state board of dental examiners,  
8 16 and the state board of nursing examiners shall retain their  
8 17 individual executive officers, but are strongly encouraged to  
8 18 share administrative, clerical, and investigative staffs to  
8 19 the greatest extent possible.

Encourages the Boards of Dental Examiners, Pharmacy Examiners, Medical Examiners, and Nursing Examiners to share administrative, clerical, and investigative personnel.

8 20 i. For the period ending June 30, 2002, the state board of  
8 21 medical examiners, the state board of pharmacy examiners, the  
8 22 state board of dental examiners, and the state board of  
8 23 podiatry examiners shall not sanction or otherwise take any

8 24 action against licensees who use an automatic dispensing  
 8 25 system for prescription drugs in the absence of a pharmacist  
 8 26 or practitioner that would otherwise be in violation of  
 8 27 section 147.107, subsection 2, and section 155A.33, provided  
 8 28 both of the following conditions are met:  
 8 29 (1) The licensee utilizes an internal quality control  
 8 30 assurance plan that ensures accuracy in dispensing.  
 8 31 (2) The licensee remains responsible for the verification  
 8 32 and accuracy of the automated dispensing system in accordance  
 8 33 with the standards adopted by the licensee's examining board.

provided that certain conditions are met.

8 34 It is the intent of the general assembly that the board of  
 8 35 medical examiners, the board of pharmacy examiners, the board  
 9 1 of dental examiners, and the board of podiatry examiners shall  
 9 2 meet to identify a statutory resolution of the issues raised  
 9 3 by the use of automated dispensing systems for prescription  
 9 4 drugs and submit their findings and legislative  
 9 5 recommendations to the governor and general assembly by  
 9 6 December 1, 2001.

Specifies that it is the intent of the General Assembly that the Boards of Medical Examiners, Pharmacy Examiners, Dental Examiners and Podiatry Examiners meet to resolve the issues raised by the use of automated dispensing systems for prescription drugs and requires the Boards to submit their findings and recommendations to the Governor and the General Assembly by December 1, 2001.

9 22 14. a. The department shall apply for available federal  
 9 23 funds for sexual abstinence education programs in accordance  
 9 24 with the federal Personal Responsibility and Work Opportunity  
 9 25 Reconciliation Act of 1996, Pub. L. No. 104-193, § 912.

Requires the Department of Public Health to apply for available federal funds for sexual education programs in accordance with the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996.

9 26 b. It is the intent of the general assembly to comply with  
 9 27 the United States Congress' intent to provide education that  
 9 28 promotes abstinence from sexual activity outside of marriage  
 9 29 and reduces pregnancies, by focusing efforts on those persons  
 9 30 most likely to father and bear children out of wedlock.

Specifies the intent of the General Assembly to comply with the United States Congress' intent to provide education that promotes abstinence from sexual activity outside of marriage and reduces pregnancies by focusing on those persons most likely to father and bear children out of wedlock.

9 31 c. Any sexual abstinence education program awarded moneys  
 9 32 under the grant program shall meet the definition of  
 9 33 abstinence education in the federal law. Grantees shall be  
 9 34 evaluated based upon the extent to which the abstinence  
 9 35 program successfully communicates the goals set forth in the  
 10 1 federal law.

Requires sexual abstinence programs awarded moneys under the Abstinence Education Initiative to meet the definition of abstinence education in federal law. Also requires an evaluation of grantees based on goals set forth in federal law.

**SENATE APPROPRIATIONS AMENDMENT:** Increases the General Fund appropriation to the Iowa Veterans Home by \$1,729,798.

DETAIL: This results in a decrease of \$32,442 compared to the estimated net FY 2001 appropriation.

12 32 a. The Iowa veterans home may use the gifts accepted by

12 33 the chairperson of the commission of veterans affairs and

12 34 other resources available to the commission for use at the

12 35 Iowa veterans home.

Allows the use of gifts given to the Iowa Veterans Home.

13 1 b. If medical assistance revenues are expanded at the Iowa

13 2 veterans home, and this expansion results in medical

13 3 assistance reimbursements which exceed the amount budgeted for

13 4 that purpose in the fiscal year beginning July 1, 2001, and

13 5 ending June 30, 2002, the Iowa veterans home may expend the

13 6 excess amounts to exceed the number of full-time equivalent

13 7 positions authorized for the purpose of meeting related

13 8 certification requirements or to provide additional beds. The

13 9 expenditure of additional funds received, as outlined in this

13 10 paragraph, is subject to approval by the department of

13 11 management. The amount approved by the department of

13 12 management for expenditure shall be considered repayment

13 13 receipts.

Allows the Commission, upon approval from the Department of Management, to expend additional Medical Assistance revenues generated by the Revenue Enhancement Program to exceed the number of FTE positions authorized for the purpose of meeting related certification requirements or to provide additional beds.

13 14 c. Any Iowa veterans home successor contractor shall not  
 13 15 consider employees of a state institution or facility to be  
 13 16 new employees for purposes of employee wages, health  
 13 17 insurance, or retirement benefits.

Prohibits successor contractors at the Iowa Veterans Home from considering employees to be new employees when determining wages, health insurance, or retirement benefits.

13 18 d. The chairpersons and ranking members of the joint  
 13 19 appropriations subcommittee on health and human rights shall  
 13 20 be notified by January 15 of any calendar year during which a  
 13 21 request for proposals is anticipated to be issued regarding  
 13 22 any Iowa veterans home contract involving employment, for  
 13 23 purposes of providing legislative review and oversight.

Requires the Chairpersons and Ranking Members of the Health and Human Rights Appropriations Subcommittee be notified by January 15 of any calendar year during which a request for proposal (RFP) is anticipated to be issued regarding employment at the Iowa Veterans Home.

13 24 e. The Iowa veterans home may retain reimbursements for  
 13 25 medication costs obtained from the federal department of  
 13 26 veterans affairs for the fiscal year beginning July 1, 2001,  
 13 27 and ending June 30, 2002, in an amount sufficient for the  
 13 28 payment of new and increased pharmaceutical costs and lease  
 13 29 payments on a unit dose machine. Moneys retained pursuant to  
 13 30 this paragraph are appropriated to the Iowa veterans home to  
 13 31 be used for the purposes of this paragraph.

Permits the Iowa Veterans Home to retain reimbursements for medication costs from the federal Department of Veterans Affairs during FY 2001. Specifies the reimbursements be used for new and increased pharmaceutical costs and base payments on a unit dose machine.

DETAIL: Estimated FY 2002 reimbursements to be retained by the Veterans Home total \$1,113,825, which is an increase of \$213,825 compared to estimated FY 2001 when approximately \$900,000 in reimbursements was retained by the Home. This will not impact General Fund revenues.

**SENATE APPROPRIATIONS AMENDMENT:** Requires that the remaining balance in the Gambling Treatment Fund after appropriations are made to the Addictive Disorders Program and the Iowa Veterans Home be used for the Gambling Treatment Program.

DETAIL: The remaining balance in the Fund is estimated to be \$1,692,000.

14 21 2. For the fiscal year beginning July 1, 2001, and ending  
14 22 June 30, 2002, from the tax revenue received by the state  
14 23 racing and gaming commission pursuant to section 99D.15,  
14 24 subsections 1, 3, and 4, an amount equal to three-tenths of  
14 25 one percent of the gross sum wagered by the pari-mutuel method  
14 26 is to be deposited into the gambling treatment fund.

Deposits receipts collected by the General Fund from 0.30% of the gross sum wagered at pari-mutuel tracks into the Gambling Treatment Fund, which are then appropriated in Section 8.1 of this Bill.

DETAIL: Receipts collected for FY 2002 are estimated to be approximately \$100,000.

14 27 Sec. 9. Section 135.102, Code 2001, is amended by adding  
14 28 the following new subsection:

14 29 **NEW SUBSECTION.** 6. Model regulations for lead hazard  
14 30 remediation to be used in instances in which a child is  
14 31 confirmed as lead poisoned. The department shall make the  
14 32 model regulations available to local boards of health and  
14 33 shall promote the adoption of the regulations at the local  
14 34 level, in cities and counties implementing lead hazard  
14 35 remediation programs. Nothing in this subsection shall be  
15 1 construed as requiring the adoption of the model regulations.

CODE: Amends Section 135.102, Code of Iowa, regarding the Childhood Lead Poisoning Prevention Program in the Department of Public Health. Requires the Department to adopt rules regarding model regulations to be used in instances in which a child is confirmed lead poisoned. Requires the Department to make the model regulations available to local boards of health and to promote the adoption of the regulations at the local level. Specifies that the adoption of the model regulations at the local level are not required.

15 2 Sec. 10. Section 602.8108, subsection 3, paragraph c, Code  
15 3 2001, is amended to read as follows:

15 4 c. Notwithstanding provisions of this subsection to the  
15 5 contrary, all moneys collected from the drug abuse resistance  
15 6 education surcharge provided in section 911.2 shall be

CODE: Requires that, notwithstanding Section 602.8108(3)(c), all moneys collected from the drug abuse resistance education surcharge shall be remitted to the State Treasurer and deposited into

15 7 remitted to the treasurer of state for deposit in the general  
15 8 fund of the state and the amount deposited is appropriated to  
15 9 the governor's office of drug control policy for use by the  
15 10 drug abuse resistance education program and other programs  
15 11 directed for a similar purpose.

the General Fund.

Specifies that the amount deposited is appropriated to the Governor's Office of Drug Control Policy to be utilized for the Drug Abuse Resistance Education (D.A.R.E.) Program and other programs with a similar purpose.

15 12 Sec. 11. Section 911.2, Code 2001, is amended to read as  
15 13 follows:

15 14 911.2 SURCHARGE.

15 15 When a court imposes a fine or forfeiture for a violation  
15 16 of a state law, or of a city or county ordinance except an  
15 17 ordinance regulating the parking of motor vehicles, the court  
15 18 shall assess an additional penalty in the form of a surcharge  
15 19 equal to thirty percent of the fine or forfeiture imposed. An  
15 20 additional drug abuse resistance education surcharge of ~~five~~  
15 21 ten dollars shall be assessed by the clerk of the district  
15 22 court if the violation arose out of a violation of an offense  
15 23 provided for in chapter 321J or chapter 124, division IV. In  
15 24 the event of multiple offenses, the surcharge shall be based  
15 25 upon the total amount of fines or forfeitures imposed for all  
15 26 offenses. When a fine or forfeiture is suspended in whole or  
15 27 in part, the surcharge shall be reduced in proportion to the  
15 28 amount suspended.

15 29 The surcharge is subject to the provisions of chapter 909  
15 30 governing the payment and collection of fines, as provided in  
15 31 section 909.8.

CODE: Increases the Drug Abuse Resistance Education Surcharge from five to ten dollars. The surcharge is assessed on operating while intoxicated offenses and for offenses relating to the possession, manufacture, or delivery of controlled substances.

DETAIL: This will increase revenues to the Governor's Office of Drug Control Policy by an estimated \$75,000 annually for various drug abuse resistance programs.

15 32 Sec. 12. CANCER STUDY AND REPORT. The director of public  
15 33 health, in consultation with an ad hoc committee comprised of  
15 34 public health officials, health care providers, consumer  
15 35 groups, educators, representatives from the state cancer

Requires the Director of the Department of Public Health, in consultation with an ad hoc committee, to conduct a study regarding comprehensive cancer control in the State and specifies what the study is to include. Requires the Director of Public Health to submit a report of the study's recommendations to the Governor and the

16 1 registry, representatives from the cancer chapter team of  
16 2 healthy lowans 2010, and other members deemed appropriate by  
16 3 the director, shall conduct a study regarding comprehensive  
16 4 cancer control in the state. The study shall include but not  
16 5 be limited to:  
16 6 1. An assessment of the incidence and prevalence of  
16 7 cancer, including determinations of any geographic, social, or  
16 8 economic patterns, or other common characteristics which  
16 9 identify vulnerable populations at risk of cancer.  
16 10 2. An evaluation of the effectiveness of current cancer  
16 11 control efforts in terms of prevention, early detection,  
16 12 treatment, rehabilitation, and quality of life. The study  
16 13 should consider strategies to maximize existing public health  
16 14 and private practice resources through improved coordination  
16 15 and program planning. The study shall also identify  
16 16 opportunities to increase and enhance efforts that focus on  
16 17 cancer with special attention to prostate, bladder,  
16 18 colorectal, skin, lung, oropharyngeal, breast, and cervical  
16 19 cancer.  
16 20 3. A review to encourage screening guidelines and tests  
16 21 that lead to a reduction in site-specific cancer incidence  
16 22 rates.  
16 23 4. An effort to identify additional federal funding  
16 24 sources and opportunities to enhance medical assistance  
16 25 dollars for the treatment of breast and cervical cancer  
16 26 through the federal Breast and Cervical Cancer Prevention and  
16 27 Treatment Act of 2000, Pub. L. No. 106-354.  
16 28 5. An evaluation of the availability and effectiveness of  
16 29 current resources, programs, and efforts to address cancer  
16 30 with special attention to prostate, bladder, colorectal, skin,  
16 31 lung, oropharyngeal, breast, and cervical cancer.  
16 32 The study shall consider the findings and recommendations  
16 33 of healthy lowans 2010 relating to cancer. The director shall  
16 34 submit a report of the study's recommendations to the governor  
16 35 and the general assembly by January 2, 2002, and present the  
17 1 findings to a joint meeting of the human resources committees  
17 2 of the Iowa general assembly during the 2002 session.

General Assembly by January 2, 2002, as well as present the findings  
to a joint meeting of the Human Resources Committee during the  
2002 session.

17 3 Sec. 13. VITAL RECORDS. The vital records modernization  
17 4 project as enacted in 1993 Iowa Acts, chapter 55, section 1,  
17 5 as amended by 1994 Iowa Acts, chapter 1068, section 8, as  
17 6 amended by 1997 Iowa Acts, chapter 203, section 9, 1998 Iowa  
17 7 Acts, chapter 1221, section 9, and 1999 Iowa Acts, chapter  
17 8 201, section 17, and as continued by 2000 Iowa Acts, chapter  
17 9 1222, section 10, shall be extended until June 30, 2002, and  
17 10 the increased fees to be collected pursuant to that project  
17 11 shall continue to be collected and are appropriated to the  
17 12 Iowa department of public health until June 30, 2002.

Extends the Vital Records Modernization Fund until June 30, 2002,  
and provides the increased fees continue to be collected until June  
30, 2002.

17 13 Sec. 14. EFFECTIVE AND APPLICABILITY DATES. Section 5,  
17 14 subsection 10, paragraph "i", of this Act relating to the  
17 15 automatic dispensing system for prescription drugs, being  
17 16 deemed of immediate importance, takes effect upon enactment.

Specifies that Section 5.10(i) of this Bill relating to the automatic  
dispensing system for prescription drugs, takes effect upon  
enactment.
